The health and safety of our travelers and employees has always been paramount to our company. TTT will continue to monitor the current pandemic situation and will follow any guidelines, mandates, regulations, laws, and recommendations to the furthest extent possible while maintaining operations. At this time we are **no longer requiring masks** while on the motorcoach. Each location/destination we visit will have its own rules that must be followed. At this time TTT does not require proof of vaccination and hopes to continue not requiring this. However, TTT reserves the right to introduce and implement any policies it sees fit. This may include proof of vaccination or COVID testing. If this becomes a requirement a customer can opt out of the trip for a transfer as long as TTT is notified within a reasonable time of implementation of the new requirements and there are no expenses incurred such as tickets, hotel, meals, etc. Please call us directly at (313)292-6300 for further information. We appreciate your understanding.
